

“To plan and provide services in Hancock County in collaboration with other organizations, both private and civic, and to promote the general social welfare of the community through assistance to citizens in Hancock County.”

The moral test of a society
is how that society treats those
who are in the dawn of life
-the children;

Those who are in the twilight of life
-the elderly;
and those who are in the shadow of life – the sick, the needy,
-and the handicapped.
